STEP 1

Set bill visibility upon tracking a bill

The screenshot shows a configuration interface for setting bill visibility. On the left, a sidebar lists options under 'Set Visibility':

- Everyone (selected)
- Organizations this bill is tracked for
- Specific People
- Specific Person Types
- Specific Organizations
- Specific Tags
- Specific Groups
- Bill Assignees
- Custom

The main area contains several dropdown menus:

- Progression Level: Select
- Assign To: Select
- Organizations this bill is tracked for: XSBA
- Specific People: Select
- Specific Person Types: Select
- Specific Organizations: Select
- Specific Tags: Select
- Specific Groups: Select

At the bottom right, there are 'Cancel' and 'Start Tracking' buttons. The 'Start Tracking' button is highlighted with an orange circle.

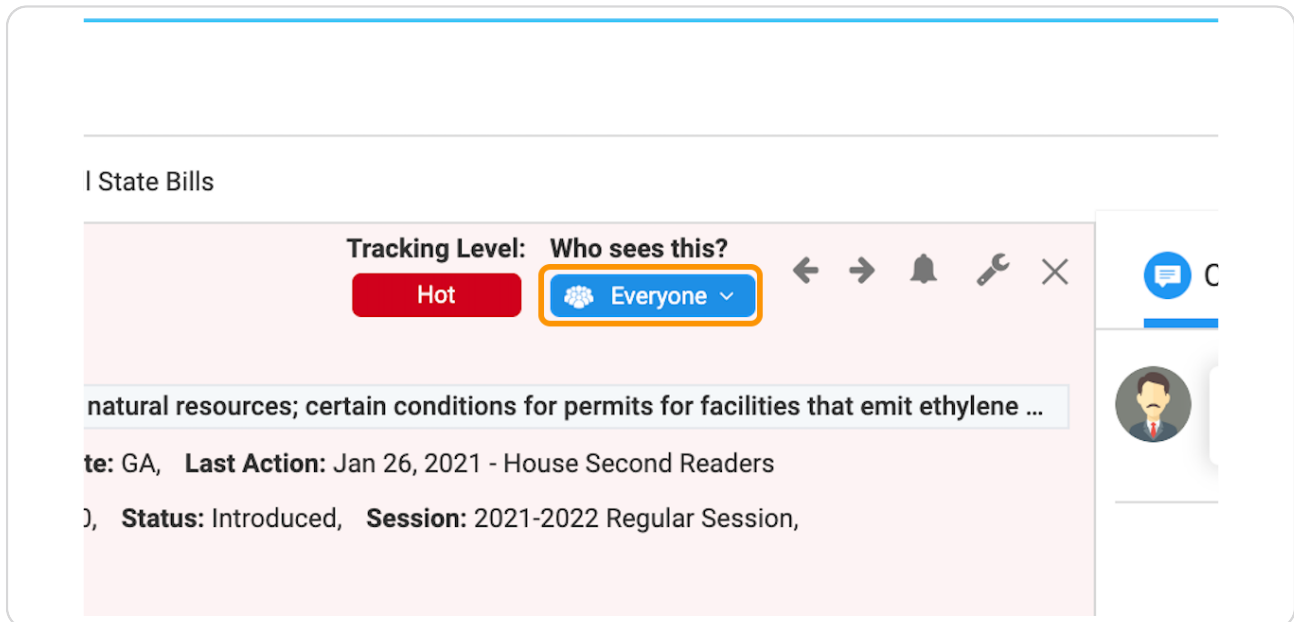

STEP 2

Click into any tracked bill to view the bill detail page and make changes to visibility.
