Apply (8)

STEP 9

Click on Clear All

The screenshot displays a web application interface. At the top, there is a blue progress bar with the label "Taxes" centered below it. Below the progress bar is a search bar with the text "Full Text Search" and a dropdown arrow. To the right of the search bar are icons for a filter, a funnel, and a wrench. A filter dropdown menu is open, showing "Filter (0)" at the top. The menu lists several filter categories with dropdown arrows: "House 3rd Reading Date", "House Committee", "Introduced Date", "Last Action Date", and "Last Action Type". A "Clear All" button is highlighted with an orange box in the top right corner of the filter dropdown. On the left side of the interface, there are several profile cards with names partially visible: "acking .evel", "onitor", "atch", and "t". On the right side, there is a "Tags" section with a "Taxes" tag highlighted in blue.
