STEP 6

Click on Connect

A form with four horizontal lines representing input fields. A blue button with the text "Connect" is positioned on the right side of the form, highlighted with an orange border.

STEP 7

A Pop-Up window will open where you can enter your login credentials

A login and authorization pop-up window. At the top, there are two icons: a Mailchimp logo and an Engagifii logo, with an arrow pointing from Mailchimp to Engagifii. Below the icons is the heading "Log in and authorize" and the text "Log in to authorize your Mailchimp account to Engagifii." The form contains a "Username" field with the text "Engagifii" and a "Password" field with a "Show" button. Below the password field are two buttons: "Log In" and "Create An Account". At the bottom, there are links for "Forgot username?" and "Forgot password?". At the very bottom, there is a copyright notice: "©2024 Intuit Inc. All rights reserved. STEP 10

Mailchimp is now connected to your Engagifi Workspace

The screenshot shows the Engagifi workspace interface. At the top, there is a dropdown menu for 'Contact Sync' and a 'Select an app:' section. The 'mailchimp' app is selected, and a green 'Connected' status indicator is visible next to it. Below this, there are tabs for 'Mailing Lists', 'Groups', 'Person Types', and 'Custom Lists'. The 'Mailing Lists' tab is active, showing a search bar with the text 'mailchimp Mailing Lists' and a magnifying glass icon. Below the search bar, there are columns for 'Source', 'Source Specifics', and 'People'. The text 'e configured.' is visible at the bottom of the interface.
